2. [REDACTED] Colonel McCann (J-2 in the Pentagon) called to say that in a briefing on the Hill, General Loper had a question put to him the answer to which requires DCI concurrence. McCann was most anxious to coordinate this paper today if possible. Arrangements were made for a Captain Rider to meet with Mr. Kirkpatrick on this this afternoon. (Mr. Kirkpatrick later advised that he had reviewed the paper which had to do with the Soviet ICBM program and had given his concurrence.)

STAT

3. [REDACTED] Representative Daniel Inouye of Hawaii visited the Agency for luncheon today. He appeared most interested in the briefing which was given on the Agency's organization and mission. (See memo for the record for details.)
